**Class 4c / 4b
Trip to Toruń**

**Fridays with
Escape Rooms**

E-twinning project

**Lessons in October
Domino time!**

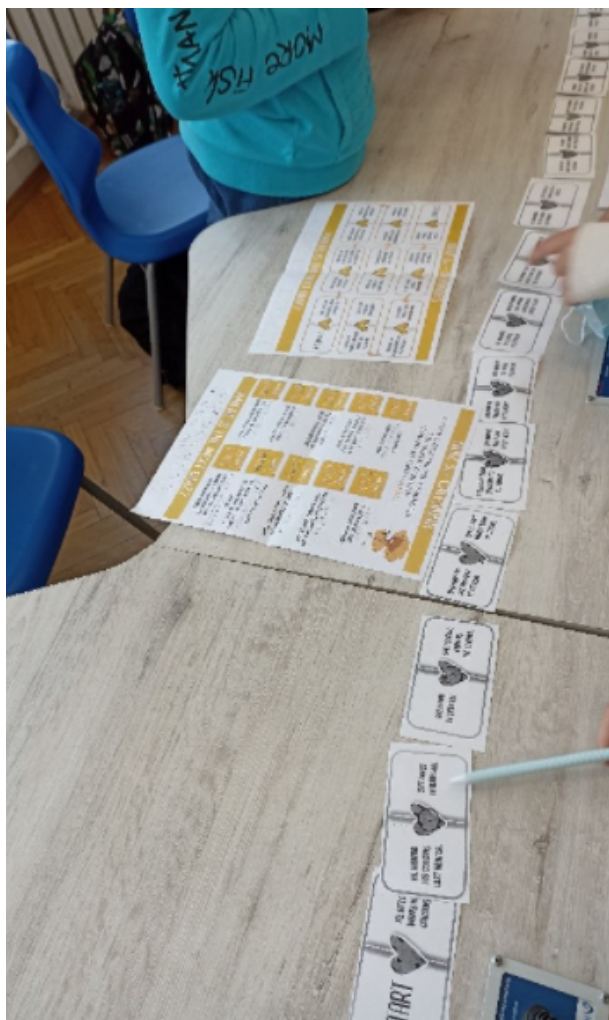

In October the students from class 4a and 4b visited Toruń. During our trip we went to popular planetarium and the Living Museum of Gingerbread. We also went sightseeing in the old town. We were lucky because the weather was amazing for an autumn walk.

We came back home late in the evening, but everyone was happy. We bought souvenirs and gingerbread, of course!

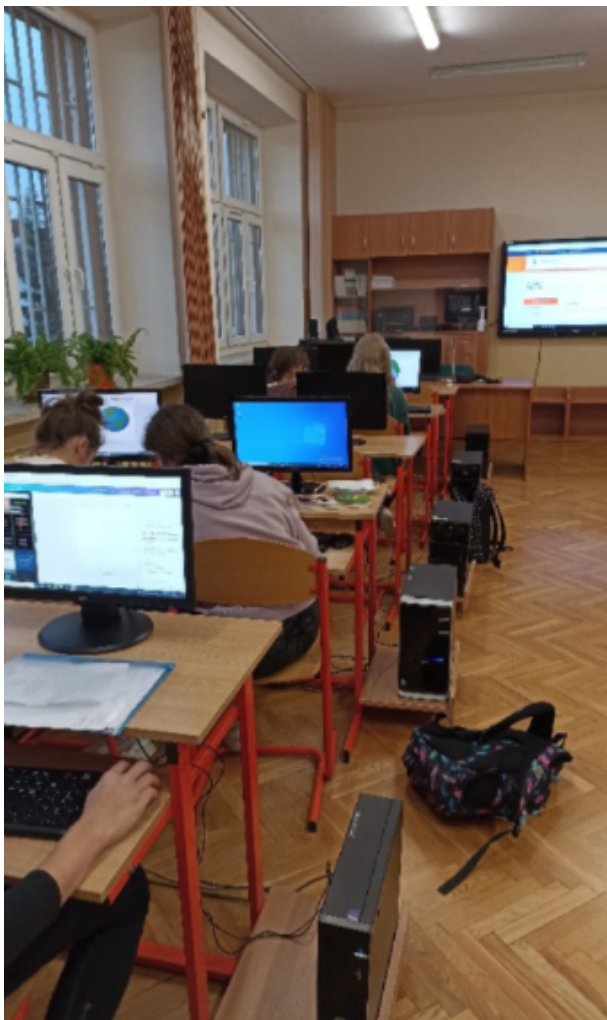

Grammar Escape Room

In October class 7a took part in a special lesson called grammar escape room. They needed to work in two teams to solve a series of grammatical puzzles and collect codes. The winners got extra points to their tests so it was worth winning But first of all, it was great fun to work together! Students can't wait for the next one!

eTwinning Project

This year our school has joined the project called E-kids learn together. Class 7a does different tasks and cooperates with school from Armenia, Croatia, France, Greece, Lithuania, Portugal, Romania, Slovenia, Turkey, Italy and North Macedonia.

The aim of the project is to get to know different European countries, their history and landmarks, customs, tradition, stories and legends.

Students will develop their ICT skills while working on different online tools for presenting the topics and doing the quizzes.

The aim is also to improve students' communication skills and language abilities. Students will work on their cooperative working skills and through collaboration develop cultural awareness and finally reflect on similarities/differences between countries, customs, traditions, etc.

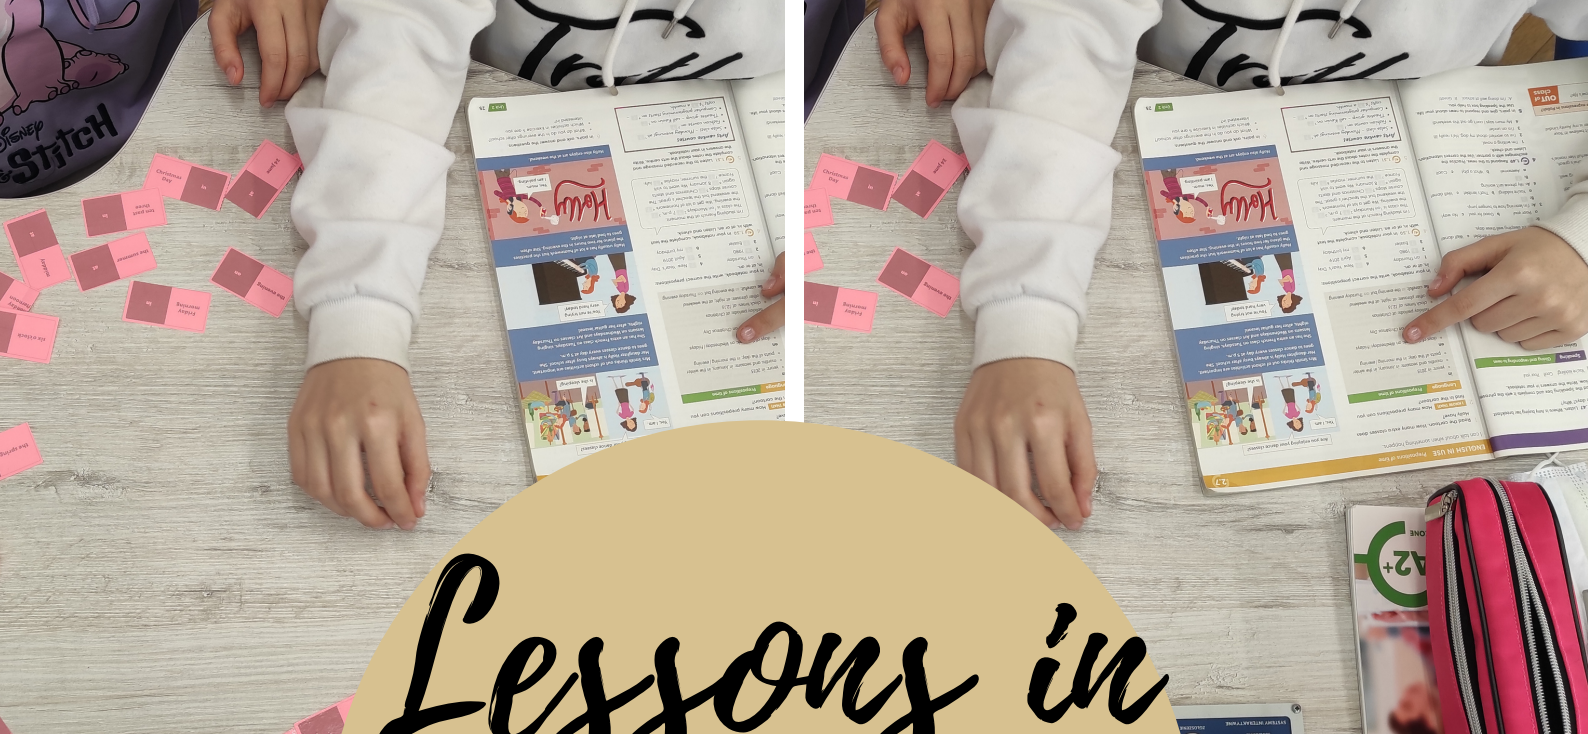

This whole-year project will cover four topics throughout the school year:

1. Christmas traditions in my country
(November/December)
2. Landmarks of my country (January/February)
- 3 Famous people from my country (March/April)
- 4 Natural beauties and wildlife in my country
(May/June).

The first task was to create a logo for the project.

Lessons in October!

Joke & riddle corner

JOKE/RIDDLE CORNER HALLOWEEN JOKES
